When you go out of the camp site, turn right on the road D18. Walk over the river Aron bridge and the canal bridge.

Follow the road to Nevers for 500 m.

At « Les Maucrées » turn right in the direction of « Le Bardy ». 600 m farther you can discover a beautiful view on the valley of the river Aron and the Morvan.

At « Le Bardy » go straight on in a grassy path.

About 400 m farther, walk along a tiny wood on the left (the path is uneven).

When you go out of this little wood, you can discover a beautiful view on the Morvan and its villages (St-Léger-de-Fougeret, Château-Chinon, St-Péreuse).

When you arrive at Mont, turn right and walk down to the bridge of « Le Magny », near an old watermill.

Turn right on the cycling path (direction Cercy-la-Tour) and walk along the canal as far as Panneçot.
